• **Azalea City Toy Breeds Club of AL - American Temperament Test Society** - May 19 - Amanda Kelley, PO Box 180636, Mobile, AL (251-648-4317 or nashrescue@yahoo.com) For more information about the ATTS, go to <http://atts.org/> "A sound mind of a sound body" The test simulates a casual walk through the park or neighborhood where everyday life situations are encountered. During this walk, the dog experiences visual, auditory and tactile stimuli. Neutral, friendly and threatening situations are encountered, calling into play the dog's ability to distinguish between non-threatening situations and those calling for watchful and protective reactions. You can not talk to your dog during the test.
